

Welcome to ParentMail!

Welcome to your ParentMail account! We hope you're going to enjoy receiving your school communications online. First things first, you need to register your account – the good news is, this can be done in minutes!

Registering with ParentMail by email

Your school will send you an email registration link if they have your email address in their ParentMail system.

If you have previously registered with ParentMail, please follow the below instructions to connect as an existing user.

- 1) You will receive an email which looks like the image below to your email account –

Click 'Manage Your Connections'.

If you haven't received the email from your school, please note it may take a couple of minutes before the email arrives. However, if after a few minutes you still haven't received the email, please check your spam/junk folders. If you find the email in your spam/junk folder, please change your account settings to mark ParentMail as a safe sender. Please also add info@parentmail.co.uk to your contact address book to avoid missing out on emails.

- 2) Once you have clicked 'Manage Your Connections', the below window will appear –

Brierley Primary School
