Dear Parents and Carers

It gives me great pleasure to share with you the outcome of our recent OFSTED inspection on 25th and 26th June 2024. The school has been judged as 'Good' in all areas. The final Report, which has been published today, can be found on the OFSTED website. We also attach an electronic version to this email for your convenience.

On behalf of the Leadership Team, I would like to offer thanks and recognition to the efforts of all staff and members of the Governing Body for their work since our last Inspection. It was really pleasing that Inspectors recognised the significant improvements we have made, including the changes to the curriculum, the quality of teaching and learning and our higher expectations. The comments regarding our students / your children are really positive indeed.

Our wonderful students, as always, behaved impeccably and spoke highly of our fantastic school and their experiences here. They remarked on the quality of relationships they are able to form with us, recognising how and why the school functions the way that it does.

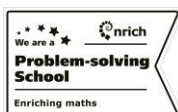

Thank you also to the community of parents/carers who have played a supportive role in championing and celebrating the hard work and effort that has gone into making the school as effective as it can be seen to be today. It is most appreciated.

The school culture on display was evidently true to our values, **Responsibility**, **Ambition**, **Respect** and **Working Together**. We look forward to continuing to work in this way with all stakeholders to continue to improve our school and secure best outcomes for our students.

Yours sincerely,

Mr McMahon

Senior Deputy Headteacher
