Dear Parent/Carer and Student,

Year 6 Open Evening – Wednesday 2nd October 2024

We would like to extend a very warm invitation to prospective students, parents and carers to visit Stalham High School for our Open Evening on Wednesday 2nd October 2024, starting at 5:30pm and running until 8:15pm.

As with previous years, we are expecting a large number of parents and children this year and so have organised a programme to support the management of increased numbers.

There are two sessions available on the evening and we would be grateful if you could scan the QR code overleaf to book onto your choice of session. Alternatively, there is a link from the main school website to the booking page.

Slot 1: 17:30

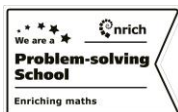

Slot 2: 18:15

There will be a brief presentation by our Head of School Mr McMahon, Miss Tarry (Head of KS3) and Mrs Dorkins (Transition Lead) before we invite you to look around the school.

When arriving at the school, we kindly ask that you use the rear car park (accessible via the left turn off Brumstead Road as you drive past the school on your left). Additional parking will be available on the field. When you have arrived, please walk around to the front of the school where you will be able to sign in and be directed to the hall for the presentation.

During the Open Evening, children and their families will be able to explore Stalham High School and find out about the fantastic experiences our curriculum affords our students and the care and guidance our learning environment provides. You will have the opportunity to learn more about the school and find out what it would be like to join our learning community and make lifelong memories.

'There is a real sense of community within the school. Pupils are articulate and confident. They interact positively with staff. They demonstrate pride in their school and the part they play in supporting each other' (OFSTED 2024)

INSPIRE, EDUCATE AND EMPOWER

Stalham High School is part of the Synergy Multi-Academy Trust Ltd.
Registered in England and Wales. Company No. 08198980

We are very proud of our school and excited about our future as a cornerstone of our wonderful community. Students enjoy being here, they feel safe and do very well in both their academic studies and extra-curricular pursuits. Once again, this year, students made excellent progress academically and made great gains in terms of personal development.

'The expectations of pupils at Stalham High School are high. The school is increasingly establishing routines which the pupils follow. This results in a community where pupils work hard and see the value in their achievements'. (OFSTED 2024)

We very much look forward to showcasing what we can offer to help your son or daughter achieve their very best at High School at this year's Open Evening.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'L McMahon', written in a cursive style.

Mr L McMahon
